a)	Among all qualified bids, the lowest bid will be termed as L1. If L1 is from a Class-I local supplier, the contract for full quantity will be awarded to L1.
b)	If L1 bid is not from a Class-I local supplier, 50 (fifty) per cent of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the Class-I local suppliers, will be invited to match the L1 price for the remaining 50 (fifty) per cent quantity subject to the local supplier's quoted price falling within the margin of purchase preference, and contract for that quantity shall be awarded to such Class-I local supplier subject to matching the L1 price. In case such lowest eligible Class-I local supplier fails to match the L1 price or accepts less than the offered quantity, the next higher Class-I local supplier within the margin of purchase preference shall be invited to match the L1 price for remaining quantity and so on, and contract shall be awarded accordingly. In case some quantity is still left uncovered on local suppliers, then such balance quantity may also be ordered on the L1 bidder.

6.2 Capability - Equipment & Manufacturing Facilities:

- a. 'The Bidder' must have an annual capacity to manufacture and supply (erected/commissioned) at least **02** (The Qualifying Quantity).
- b. **Note:** In case of multiple products in a tender, this criterion shall be applicable product wise. For example, in case of Printing Paper of different specifications/sizes, it shall be applicable to quantity of paper manufactured and supplied specification/size wise.

6.3 Financial Standing – under all conditions

- a. The average annual financial turnover of 'The Bidder', during the last three years, ending on 'The Relevant Date', should be at **Rs. 50 Lakh** (or equivalent in foreign currency at exchange rate prevalent on 'The Relevant Date', (fix the value as 40-80 per cent or any other percentage of the estimated cost of the quantity in the bid document), as per the annual report (audited balance sheet and profit & loss account), of the relevant period, duly authenticated by a Chartered Accountant/Cost Accountant in India or equivalent in relevant countries.

Ministry of MSME have clarified that all Central the Ministries/Departments/Central Public Section Undertakings may relax condition of prior turnover and prior experience with respect to Micro and Small Enterprises in all public procurements subject to meeting of quality and technical specifications. Further, the condition of prior turnover and prior experience may be relaxed for 'Start-ups', (as defined by Department of Industrial Policy and Promotion), subject to meeting of quality & technical specifications and making suitable provisions in the bidding document (rule 173 (i) of GFR 2017).

- b. The Bidder (manufacturer or principal of authorised representative) should not have suffered any financial loss for more than one year during the last three years, ending on ‘The Relevant Date’.
- c. The net worth of the Bidder (manufacturer or principal of authorised representative), should not be negative on ‘The Relevant Date’, and also ii) should have not eroded by more than 30 (thirty) per cent in the last three years, ending on ‘The Relevant Date’.

Note: In case of Indian Bidders’ (manufacturer or principal of authorised representative), who have been restructured by Banks in India, under the statutory guidelines, they would be deemed to have qualified the Financial standing criteria considering the institutional financial backing available to them.

Applicability in Special Cases:

- a. Applicability to Make in India: Bidders’ (manufacturer or principal of authorised representative), who have a valid/approved ongoing ‘Make in India’, agreement/program and who while meeting all other criteria above, except for any or more of sub-criteria in Experience and Past Performance above, would also be considered to be qualified provided:
 - 1. their foreign ‘Make in India’, associates meet all the criteria above without exemption, and
 - 2. the Bidder submits appropriate documentary proof for a valid/approved ongoing ‘Make in India’, agreement/program.
 - 3. the bidder (manufacturer or principal of authorised representative), furnishes along with the bid a legally enforceable undertaking jointly executed by himself and such foreign manufacturer for satisfactory manufacture, supply (and erection/commissioning, if applicable) and performance of ‘The Product’, offered including all warranty obligations as per the general and special conditions of contract.
- b. Authorised Representatives: Bids of bidders quoting as authorised representative of a principal manufacturer would also be considered to be qualified, provided:
 - 1. their principal manufacturer meets all the above criteria without any exemption, and
 - 2. the principal manufacturer furnishes a legally enforceable tender -specific authorisation in the prescribed form assuring full guarantee and warranty obligations as per the general and special conditions of contract; and
 - 3. the bidder himself should have been associated, as authorised representative of the same or other Principal Manufacturer for same set of services as in present bid (supply, installation, satisfactorily commissioning, after sales service as the case may be), for same or similar ‘Product’, for the past three years ending on ‘The Relevant Date’.

- c. For Existing Successful Past Suppliers: In case the bidder (manufacturer or principal of authorised representative), who is a successful past supplier of 'The Product', in at least one of the recent past **03** procurements, who do not meet any or more of requirements above, would also be considered to be qualified, in view of their proven credentials, for the maximum quantity supplied by him in such recent past.
- d. Joint Ventures and Holding Companies: Credentials of the partners of Joint ventures cannot be clubbed for the purpose of compliance of PQC in supply of Goods/Equipment, and each partner must comply with all the PQC criteria independently. However, for the purpose of qualifying the Financial Standing Criteria, the financial standing credentials of a Holding Company can be clubbed with only one of the fully owned subsidiary bidding company, with appropriate legal documents proving such ownership.

Note for Bidders:

- a. Doctrine of Substantial Compliance: The PQB and PQC are for shortlisting of sources who are competent to perform this contract to ensure best value for money from expenditure of public money. This process is neither intended to bestow any entitlement upon nor to create any rights or privileges for the Bidders', by way of overly hair - splitting or viciously legalistic interpretation of these criteria, disregarding the very rationale of the PQB and PQC. Keeping this caveat in view, interpretation by the Purchaser would be based on common usage of terminologies and phrases in public procurement in accordance with the 'Doctrine of Substantial Compliance', and would be final.
- b. The Bidder must declare, whether asked or not in a bid document, any previous transgressions of such a Code of Integrity with any entity in any country during the last three years or of being debarred by any other Procuring Entity. Failure to do so would amount to violation of this Code of Integrity.
- c. In case of agents quoting in offshore procurements, on behalf of their principal manufacturers, one agent cannot represent two manufacturers or quote on their behalf in a particular tender enquiry. One manufacturer can also authorise only one agent/dealer. There can be only one bid from the following:
 - 1. The Principal manufacturer directly or through one Indian agent on his behalf; and
 - 2. Indian/foreign agent on behalf of only one principal.
- d. Along with all the necessary documents/certificates required as per the tender conditions, the bidder should furnish a brief write-up, backed with adequate data, explaining his available capacity (both technical and financial), for manufacture and supply of the required goods/equipment, within the specified time of completion, after meeting all their current commitments.
- e. Supporting documents submitted by the bidder must be certified as follows:
 - 1. All copy of supply/work order; respective completion certificate and contact details

of the clients; documents issued by the relevant Industries Department/National Small Industries Corporation (NSIC)/manufacturing license; annual report, etc., in support of experience, past performance and capacity/capability should be authenticated by the person authorised to sign the tender on behalf of the bidder. Original documents must be submitted for inspection, if so demanded.

2. All financial standing data should be certified by certified accountants, for example, Chartered Accountants/Cost Accountants or equivalent in relevant countries; and Indian bidder or Indian counterparts of foreign bidders should furnish their Permanent Account Number.
- f. A bidder or any of its affiliates who participated as a consultant in the preparation of the design or technical specifications of the contract i.e., the subject of the bid; cannot participate in the bidding process.
 - g. Indian agents quoting on behalf of their foreign principal need to submit a copy of the agency agreement with the foreign principal detailing the services to be rendered by them on behalf of the principals, failing which their bid shall not be considered.
 - h. Foreign bidders to disclose the name and address of agent and representatives in India and Indian bidder to disclose their foreign principal or associates.
